But I got models who luv 2 swallow  
And dey luv 2 follow me everywhere dat I go  
Automatically know 2 throw dey underwear on da flo'

Its' goin' down homie  
Steady waitin' on a player downfall  
But I keep it pimpin'  
Get da money straight from 'round ya'll  
Pleasure P  
Keep dat  
Cheedar cheese  
Keep dat  
Game from a mile away  
There's nothing you can tell me  
Rollin' in da Bentley  
Pocket full of Benjees  
Hotter than da the lava  
Cooler than da wind and da breeze  
[Chorus]  
[Spectacular]:  
Uh  
Yea

Free boy  
Come snatch ya chick  
Flippin' out hundred dollar bills  
Like a Sidekick

Got custom Air Jordans like I play for da team  
Swagger like a model  
Yea Im doin' my thang  
Stay poppin' more bottles than a vendin' machine  
Shirt off six pack like Sprite  
Obey ya thirst and take me home tonight  
Got lined up further than a string on a kite  
Call my grill South Pole cuz' its' stacked wit' ice  
Referee on da scene breakin' up girl fights  
Dey fightin' over me it must be nice  
[Chorus]  
[Baby Blue]:

[Chorus]  
[Slick 'Em]:  
Slick 'Em Hound

Yea...Yea  
I know my jeans sag low  
Its' hard to hold 'em up wit my pockets full of dough  
Now what I mean is damn Im paid  
When I pull a wallet out its like a hand grenade(boom)  
When I dress I go all out  
I even do the white boy and Abercombie it out  
Lookin' GQ wit' a suit and a tie  
No matter where Im at I represent da 305  
A wild nigga wit gat & golds  
Chillin' wit' dem goones  
On dem 24's(come on)  
Throw on da shades and Im ready to go  
But prefer layin' low wit' da baddest hoes  
Face clean boy where ever I go  
Walk away from South Beach to Coco's  
Now I can show u how to bag dez models  
But tha catch is I gotta sell my swag in a bottle
