What sweeter music can we bring  
Than a carol, for to sing  
The birth of this our heavenly King?  
Awake the voice! Awake the string!

When children would reach for their stockings  
And open the presents they found  
The lights on the tree would shine bright in their eyes  
Reflecting the love all around

Carolers sang as she opened the door  
Faces of friends in the crowd  
And all of the shadows of lonely reminders  
Driven away by the sound

What sweeter music can we bring,  
Than a carol for to sing  
The birth of this our heavenly King?  
The birth of this our heavenly King?
