Here you go, way too fast.
Don't slow down, you're gonna crash
you should watch - watch your step.
Don't look out, you're gonna break your neck
so shut , shut your mouth,
cause I'm not listening anyhow.
I've had enough, enough of you,
enough to last a life time through.

So what do you want of me?
Got no words of sympathy,
and if i go around with you,
you know that i'll get messed up too with you

na na na na na
na na na na na

Here you go, way too fast.
Don't slow down, you're gonna crash.
You don't know what's been going down,
you've been running all over town.

So shut , shut your mouth
cause i'm not listening anyhow.
I've had enough, enough of you,
enough to last a life time through.

So what do you want of me?
Got no cure for misery,
and if I go around with you,
you know that i'll get messed up too with you

With you...
na na na na na
slow down, you're gonna crash
na na na na na

slow down, you're gonna crash
na na na na na
slow down, you're gonna crash.
