Our Paths Never meet [X6]

*A three second excerpt
Inform us now (Follow)
A three Second excerpt
Inform us now
Follow detour signs*

*Look at the tv
Constant hate surrounding the periphery
Look at the tv
Another nightmare heading straight for you and me
Is this reality?*

*Is this manufactured
Carefully altered to your guidelines
Making it seem oh so conceivable
Stories left untold
Generalizations ready to unfold
Are you ready? I'm not ready, Are you ready? I'm not
ready to fold*

*A three second excerpt is our handshake
Our Handshake hello and goodbye.*
