Never Give Up

There's a flickering light bouncin' off the table into  
your eyes  
And I can't help but wanna catch it  
And when you fold me in your arms  
And dump your soul onto my back  
All the noises in my head stop to listen  
to my heart, stretchin' out  
Oh, I'm givin' in  
Look at this love of ours  
Oh, I do believe we're startin' to settle in

Come on in honey the deep end is callin'  
Touch your toes now and spring back up  
I'm gonna promise it all (true?) lovin'  
So come on  
come on baby  
Never give up  
Without a warning you walked right in  
Sat yourself inside me and ordered  
Never has it been so easy,  
to just lay still and let somebody see me  
My heart is stretchin' out  
Look at me I'm givin' in  
Oh, this little love of ours  
I'm startin' to settle in  
Come on in honey the deep end is callin'  
Touch your toes now and spring back up  
I'm gonna promise it all (true?) lovin'

So come on baby, I said Never give up  
The first week was like a month stranded on an island  
Nothin' but our bodies talkin'  
And when I came up for air  
All the world was there  
And it is raining in our honor  
Stretchin' out  
Oh look at me, I'm startin' to give in  
Oh this love of ours, Settlin' in

Come on in honey the deep end is callin'  
Touch your toes and spring back up  
Let's promise it all to each other  
Come on in honey the deep end is callin'  
Touch your toes now spring back up  
I want to promise it all (true?) lovin'  
So come on, come on  
Never give up  
Never give up, yeah  
Never give up, yeah  
Never give up
