This world is not ours  
As much as we'd like it to be  
It is someone else's  
Something bigger  
Bigger than you and me  
But it's brought us together  
Today  
So we should take this thing we got baby  
For everything  
Everything it has to say  
N' make it good  
Make it happen  
Hold the hand of love  
Make it perfect  
For just a moment  
'Cause that's the meaning  
That's the meaning of love  
This world is not ours  
As much as we'd like it to be  
It is someone else's  
Something bigger

Bigger than you and me  
It makes you  
Makes you whisper when no one's around  
Makes you feel lost  
But you got to put your feet  
Got to put them back on the ground  
N' make it good  
Make it happen  
Hold the hand of love  
Make it perfect  
For just a moment  
'Cause that's the meaning  
N' make it good  
Make it happen  
Hold the hand of love  
Make it perfect  
For just a moment  
'Cause that's the meaning  
That's the meaning  
That's the meaning of love
