I'm stepping out of bounds about you  
It's long overdue  
I'm cutting you loose  
Moving over movies untrue  
You'll move again soon  
It's a choice if you choose

And I've counted forwards and backwards from ten  
I've had heavy nights with the best of friends  
And I'd sleep on the floor, right next to your door  
And I think it's alright  
I know I can drive tonight

I'm jumping over mountains for you  
With no good excuse  
Makes it tough to get through to you  
Stepping out of bounds about me  
Courageous and free  
It's what's best for the family

And there you are  
You're everywhere I go tonight...

And I've counted forwards and backwards from ten  
I've had heavy nights with the best of friends  
And I'd sleep on the floor, right next to your door  
And I'll think I'm alright  
Yeah I know I can drive tonight
