Embodiment within reach
Soul affliction is giving in
Rejected by a vulgar god
In human flesh and blood

Resurrection from the skies
And all our divine lies
All the scars as time went by
You never turned around to watch me die

Intensified predicament
Rapped up in disgust
The stench of revived knowledge
In vulgarity we trust

Restricted by our ignorance
We cannot intervene
The plague of independence
Rages in all our genes

We will: Face our god
In flesh and blood
We'll pay our sins
Ignominy embodied
