Sick of the sex and the sound of the cars
And saying the words in eleptical bars
Dancing can be such attraction
when everbody's doing a fraction

When I went for a job I had to trade in my hair
and think of ideas in a parker-knoll chair
If it wasn't for the blacks in the south
my fathers refrigerator factory would close down

Denise is such a dream, let her,
when you get a touch of her knee, ler her,
when you're on the couch with her please, let her.
I feel just like money,

I feel just like money inside
and the women turn blue at around 45
the stupid and the stupid and the infantile,
listen to records with the A-bomb hairstyle,

When I went for a job I had to trade in my hair
And think of ideas in a parker knoll chair
If it wasn't for the blacks in the south
my fathers refrigerator factory would close down

Denise is such a dream, let her,
when you get a touch of her knee, ler her,
when you're on the couch with her please, let her.

Denise is such a dream, let her,
when you're on the couch with her please, let her.
when you get a touch of her knee, ler her,
