Don't be a girl for all their kisses
For all their kisses taste so sweet
Don't be a girl for all their flowers
All their flowers fade when the day comes
And in your eyes, i've seen it rain
Don't be a girl, not for me
And on your face, i've seen their names
Don't be a girl, not for me
Don't be a girl for all their money
For all their money comes so cheap
Don't be a girl for all they promise
All their promises come so easy
And in your eyes, i've seen it rain
Don't be a girl, not for me
And on your face, i've seen their names
Don't be a girl, not for me
Don't be a girl for all their roses
All their roses tell me they want you
Don't be a girl for all their wishes
For all their wishes don't come true
And in your eyes, i've seen it rain

Don't be a girl, don't complain

And on your face, i see their names

Don't be a girl, not for me

And in your eyes, i've seen it rain

Don't be a girl, not for me

And on your face, i see their names

Don't be a girl, don't complain

Not for me
