Don't want order

It won't come

There's no why that it goes on

I was tied and i'm undone

I've got all that you don't want

You want order i want more

You want it all and

All of it's yours

You want shelter

I get a room

I get a room

My confusion leaves me cold

I've got nothing here to hold

All that's gold will never shine

It was nothing, nevermind

I want time, i want it now

My confusion's getting me down

You want shelter

I get a room

I get a room

What of yours is there to keep?

To be there when you sleep
I'm not here to tie your feet
Hold a hand upon your sleeve
There's a nail to hang the wall
It pays to lose it all
A note to hind behind the door
I get a room
Where you sleep, i lay awake
I saw every time you fake
I held on the hand that takes
And you hate it when i break
You want order
I want more
You want it all and
All of it's yours
You want shelter
I get a room
I get a room
I get a room
