Yeah i fell in love  
Like all good dreamers do  
Finally in anger  
I gave it all to you  
I never shouted it  
Like we do in school  
And knee-jerk negativity  
Just never got me through  
And ma she said so carefully  
You don't get a vote  
This is not a five and ten  
This is not a joke she said  
It's only you and only i  
Bang bang  
Bye bye  
Now i got a love  
To lose myself inside  
I don't need to find a face  
That i can hide behind  
I never shouted it  
Like we do in school  
Bleed your negativity  
Just never got me through  
But ma she said so carefully  
You don't get a vote  
This is not a five and ten  
This is not a joke  
She said  
It's only you and only i  
Bang bang  
Bye bye  
Lose yourself lose yourself  
Lose yourself lose yourself
