Go on get tarzan  
Go on get jane  
Go on get superman  
Go on get lois lane  
Hamburger mary  
She's got a gun  
Nothing goes on all the time  
And she thinks it's fun  
Come on run run run run away  
Come on run away come on  
Run run run run away  
Come on run away  
Doorbell plays beethoven  
I open the door  
Yesterday's there  
And i fall on the floor  
Practicing makeup  
She laughs at us all  
Hey look at you  
She's seen it all before  
Come on run run run run away  
Come on run away come on  
Run run run run away  
Come on run away come on  
Run run run run away come on  
Run away come on  
Run run run run away  
Come on run away  
I'm having this party  
So come now please  
It's an open house girl  
But no games with keys  
No jokes in blank humor  
No lines in blank verse  
It couldn't get much worse  
There's heroes and villains  
Ma b. and her boys  
Doing the twist  
Dancing with toys  
I've been waiting all night  
For someone like you  
But you'll have to do

I've been waiting all night
