Blue cars big beat  
Dead on my feet  
I get this heat  
Run round lime street  
Do this  
Be there  
I just don't care  
All day day wear  
Go home she's there  
I don't think that i can stand  
I'm so run down  
She is oh so out of hand  
She's coming down  
Run down  
Who cares  
I'm so happy  
I get some clerk  
Talk talk talk talk  
Get up get down  
This is toy town  
All day day wear  
Go home she's there  
I don't think that i can stand  
I'm so run down  
She is oh so out of hand  
She's coming down now  
Sometimes she says she loves me  
I just don't believe it  
All day she says  
My set it plays  
Love songs all day  
It sells toothpaste  
Razors band-aids  
It sells love  
And it sells hairspray  
Ha ha all day  
Monday monday  
I don't think that i can stand  
I'm so run down  
She is oh so out of hand  
She's coming down now
