All your self inflicted pain
And your self destructive ways
Make us all want to cry for you
And your face is so beautiful
'Til you put your make-up on
It makes us ask why do you do it

And your lifeboat has sprung a leak
It's making a creaking sound
It is sinking
It is sinking now
And your lifeboat has sprung a leak
It's making a creaking sound
It is sinking

All the stories you love to tell
Are the words you shouldn't speak
Cus truth lies in Germany
And the bottle you brought on board
Holds a note we can't ignore
So why don't you drop it into saltwater

And your lifeboat has sprung a leak
It's making a creaking sound
It is sinking
It is sinking now
And your lifeboat has sprung a leak
It's making a creaking sound
It is sinking

Das lifeboat
Das lifeboat...
It's goin' down...
