Give up give in now
Someone's got away
This is gonna be suicide
Take the back seat it'll be alright

This is not your day
Everything will be okay
Happiness is far away
But this is gonna be your lucky day

Can't sleep when the sun is up
Don't want to wake up
Just stay in bed all day
Everything is gonna go away hey
This is no holiday
This is no holiday
Everything is upside down
Just try to turn it around 'cause

This is not your day
Everything will be okay
Happiness is far away
But this is gonna be your lucky day
This is not your day
Happiness is far away
Everything will be okay
This is gonna be your lucky day

Come here and brush your teeth
These things are so complete
But everything is upside down
Don't try to turn it around

This is not your day
Everything will be okay
Happiness is far away
But this is gonna be your lucky day
This is not your day
Happiness is far away
Everything will be okay
This is gonna be your lucky day
