Love's like suffocation
It takes you under makes you dizzy
Is not love for everyone
How dare I say

It's what she said to me
It was so typical
Like in the magazine
It was so typical
And that was the first mistake
It went right to my brain

Love's like suffocation
It takes you under
Makes you dizzy
Is not love for everyone
How dare I say

And as the story goes
It was so typical
I thought I was in vogue
It was so obvious
That was my fifth mistake
I guess I'm just a first-rate flake

Love's like suffocation
It takes you under
Makes you dizzy
Is not love for everyone
How dare I say

Is it the jet set that gets us off
How dare I say
Prepare for suffocation
