Come get it now while it's hot
Time's running out, so what's up?
I'm only giving one shot
(So ya better act on it now)

Blink and I might disappear
Bring on game, shake off your fear
Show me that you want me near
(So ya better act on it now)

Not being difficult
I just know what I want
No point in holding on
(Gotta keep it moving if you can't do it)

I've been through this before
But now I've closed that door
I don't want just another faded story, baby

Untouchable baby, I'm so untouchable
You wanna get with me, better be undeniable, oh
It might sound crazy, maybe impossible
'Cause I'm untouchable, baby I'm so untouchable

I may be cynical, but you're not original, 'cause
(You keep talking I haven't seen nothing from you)
Promises come and they go, you're not believable
(You're out of time, don't know why you can pull through)

Not being difficult
I just know what I want
No point in holding on
Gotta keep it moving if you can't do it

I've been through this before
But now I've closed that door
I don't want just another faded story, baby

Untouchable, baby I'm so untouchable
You wanna get with me, better be undeniable, oh
It might sound crazy, maybe impossible

'Cause I'm untouchable, baby I'm so untouchable

Keep trying, baby but you ain't touching me
I know that it drives you crazy
'Cause you ain't touching me

And you wish that you could
You ain't the only one that wants to be
Wanna see me, keep me, but you can't have me
Thought it would be easy, but you can't catch me

Ooh, yeah
I like this
Ha, come on
Oh baby, baby

Untouchable, baby I'm so untouchable
You wanna get with me, better be undeniable, oh
It might sound crazy, maybe impossible
'Cause I'm untouchable, baby I'm so untouchable

Untouchable, baby I'm so untouchable
You wanna get with me, better be undeniable, oh
It might sound crazy, maybe impossible
'Cause I'm untouchable, baby I'm so untouchable

Untouchable, baby I'm so untouchable
You wanna get with me, better be undeniable, oh
It might sound crazy, maybe impossible
'Cause I'm untouchable, baby I'm so untouchable
