Guess I shoulda shut my mouth
But I had to get it out
So much for being head strong (nooo)
Going half way out my mind
I know I was outta line
No scratch that, I was dead wrong

And I know I shoulda let it go
But I just had to be right
Ooh coulda left it alone
But no I had to be right
Swear I woulda just fell back
If I knew all I'd be left with
Is these shoulda coulda wouldas
'Cause you're gone...

Now I'm out here tripping
'Cause you came up missing
And my head keeps spinning
It's getting out of control
I'm backing down this time
I don't wanna fight
I don't care who's right

'Cause I'm wrong when you're gone when you're gone
'Cause I'm wrong when you're gone when you're gone
'Cause I'm wrong when you're gone when you're gone

Heaven knows if you were here
I'd be all up in your ear
Least you could do is answer your phone
'Cause I realized my mistakes
Baby I'll do what it takes
If I can just get you one and one

Shoulda let it go
But I just had to be right
Ooh coulda left it alone
But no I had to be right
Swear I woulda just fell back
If I knew all I'd be left with

Is these shoulda coulda wouldas
'Cause you're gone

Now I'm out here tripping
'Cause you came up missing
And my head keeps spinning
It's getting out of control
I'm backing down this time
I don't wanna fight
I don't care who's right

'Cause I'm wrong when you're gone when you're gone
'Cause I'm wrong when you're gone when you're gone
'Cause I'm wrong when you're gone when you're gone

I know I pushed you out
Running off at the mouth
Saying all the wrong things
Calling you out your name
I was unpredictable, so emotional
But I swear I'm gonna do better
Gonna get us back together again

Now I'm out here tripping
'Cause you came up missing
And my head keeps spinning
It's getting out of control
I'm backing down this time
I don't wanna fight
I don't care who's right

'Cause I'm wrong when you're gone when you're gone
(I'm so wrong when you're gone)
'Cause I'm wrong when you're gone when you're gone
(I'm so wrong when you're gone)
'Cause I'm wrong when you're gone when you're gone

Now I'm out here tripping
'Cause you came up missing
And my head keeps spinning
It's getting outta control
I'm backing down this time
I don't wanna fight (I don't wanna fight)
I don't care who's right (I don't care who's right)

'Cause I'm wrong when you're gone, when you're gone
(when you're gone)
'Cause I'm wrong when you're gone, when you're gone
(when you're gone)
'Cause I'm wrong when you're gone when you're gone

Baby, baby, baby
Can you hear me?
I'm so wrong, yes I'm so wrong
When you're gone...
