{verse 1}

I'm trying to make myself believe
That I don't need you in my life
But somehow it's not the truth
'Cause without you I'm incomplete

{chorus}

I do believe that someday soon
(Will be getting to know each other again)
Knowing somehow I'll be near
(To stay beside me, all the time...)

I do believe that someday soon
(Will be getting to know each other again)
Knowing somehow I'll be near
(To stay beside me, all the time...)

{verse 2}

Even how hard I've tried to pretend
I can't keep my self I still you
No matter how harsh I've tried to ignore
Your still the one I'm thinking of

{chorus}

I do believe that someday soon
(Will be getting to know each other again)
Knowing somehow I'll be near
(To stay beside me, all the time...)

I do believe that someday soon
(Will be getting to know each other again)
Knowing somehow I'll be near
(To stay beside me, all the time...)

Someday soon...
Someday, someday
Someday soon...
