Flirt, flirt!

You wanna chill in my Lamborghini,
You wanna look but you don't wanna see
So what you think of that look in my eyes?
You think it's for you?
You think you read minds?
You better watch where you're putting those hands,
You better stop if you're making more plans
'Cause everything you do makes you look like a fool

[Chorus:]

You're looking for some dirt,
I'm lifting up my skirt
I'm searching for a light under me in my purse
You always think the worst,
I just wanna flirt
You found me on my knees,
Next thing you're saying "tease"
'Cause I'm trying to find my phone and my keys, not
your sleaze
My spell is like a curse,
I just wanna flirt

What part of no don't you really understand
One syllable words old man?
You got a problem with my space?
Get your look out of my face
'Cause I've had it with your lies
You're pretty damn close to being unfine
'Cause everything you do makes you look like a fool

[Chorus:]

You're looking for some dirt,
I'm lifting up my skirt
I'm searching for a light under me in my purse
You always think the worst,
I just wanna flirt
You found me on my knees,
Next thing you're saying "tease"
'Cause I'm trying to find my phone and my keys, not
your sleaze

My spell is like a curse,
I just wanna flirt

I'm just so lucky to be walking on a wire,
I'm up so high that I can barely feel your fire
You can't touch me, no,
That's just a dream!

[Chorus:]

Your looking for some dirt
I'm lifting up my skirt
I'm searchin' for a light under me in my purse
You always think the worst (You always think the worst)
I just want to flirt (I just want to flirt)
You found me on my knees (I just want to flirt)
Next thing your saying tease (I just want to flirt)
'Cause I'm trying to find my phone and my keys (I just
want to flirt)
Not your Sleaze
My spell is like a curse (Curse)
I just want to flirt (I just want to flirt)

Flirt, Flirt, Flirt, Flirt.
