I don't think I want this anymore  
As she drops the ring to the floor  
She says to herself: 'You've left before'  
This time you will stay gone, that's for sure

And he shouted something else  
She dragged her suitcase down the path,  
To the driveway.  
She had never gone that far.

Normally this would be the time  
That she would let him talk her out of leaving,  
But this time, without crying,  
As she got into her car, she said,

No, happily never after  
That just ain't for me, because finally  
I know I deserve better after all,  
I'll never let another teardrop fall.

As she drove away she starts to smile,  
Realized she hadn't for a while.  
No destination, she drove for miles  
Wondering why she stayed in such denial.

Laughing about the way he shattered something else  
To drag her suitcase down the path,  
To the driveway.  
She had never gone that far

Normally this would be, the time that she  
Would let him talk her out of leaving,  
But this time, without crying,  
As she got into her car, she said,

No, happily never after  
That just ain't for me, because finally  
I know I deserve better after all,  
I'll never let another tear drop fall.

I'm done, I'm done, said I'm so done (So done, done,  
done, done, done)

I'm free, I'm free, I'm free  
Free to be me.

She inhales an air she'd never breathed before  
Cure of no drama no more.

She said  
{3x}  
No, happily never after  
That just ain't for me, because finally  
I know I deserve better after all,  
I'll never let another teardrop fall.

ooowwoooooooowww
