I never needed you to be strong  
I never needed you for pointing out my wrongs  
I never needed pain, I never needed strain  
My love for you is strong enough you should have  
known

I never needed you for judgment  
I never needed you to question what I spent  
I never ask for help, I take care of myself  
I don't why you think you got a hold on me

And it's a little late for conversations  
There isn't anything for you to say  
And my eyes hurt, hands shiver  
So look at me and listen to me because

I don't want to stay another minute  
I don't want you to say a single word  
Hush hush, hush hush, there is no other way  
I get the final say because

I don't want to do this any longer  
I don't want you, there's nothing left to say  
Hush hush, hush hush, I've already spoken  
Our love is broken, baby, hush hush

I never needed your corrections  
On everything from how I act to what I say  
I never needed words, I never needed hurts  
I never needed you to be there everyday

I'm sorry for the way I let go  
From everything I wanted when you came along  
But I am never beaten, broken not defeated  
I know next to you is not where I belong

And it's a little late for explanations  
There isn't anything that you can do  
And my eyes hurt, hands shiver  
So you will listen when I say, baby

I don't want to stay another minute

I don't want you to say a single word  
Hush hush, hush hush, there is no other way  
I get the final say because

I don't want to do this any longer  
I don't want you, there's nothing left to say  
Hush hush, hush hush, I've already spoken  
Our love is broken, baby, hush hush

No more words, no more lies  
No more crying  
No more pain, no more hurt  
No more trying because

I don't want to stay another minute  
I don't want you to say a single word  
Hush hush, hush hush, there is no other way  
I get the final say because

I don't want to do this any longer  
I don't want you, there's nothing left to say  
Hush hush, hush hush, I've already spoken  
Our love is broken, baby hush hush

Hush hush, hush hush, I've already spoken  
Our love is broken, baby
