We're driving slow  
Through the snow  
On fifth avenue  
And right now radio's  
All that we can hear

Now we ain't talked since we left  
It's so overdue  
It's cold outside  
But between us its worse in here

The world slows down  
But my heart beats fast right now  
I know this is the part  
Where the end starts

I can't take it any longer  
Thought that we were stronger  
All we do is linger  
Slipping through my fingers

I don't want to try now  
All that's lefts goodbye to  
Find a way that I can tell you

I hate this part right here  
I hate this part right here  
I just can't take your tears  
I hate this part right here

Everyday seven takes of the same old scene  
Seems we're bound by the laws of the same routine  
Gotta talk to you now fore we go to sleep  
But will we sleep once I tell you what's hurting me

The world slows down  
But my heart beats fast right now  
I know (i know) this is (this is) the part where the end  
starts

I can't take it any longer  
Thought that we were stronger

All we do is linger  
Slipping through my fingers

I don't want to try now  
All that's lefts goodbye to  
Find a way that I can tell you

I hate this part right here  
I hate this part right here  
I just can't take your tears  
I hate this part right here

I know you'll ask me to hold on  
And carry on like nothings wrong  
But there is no more time for lies  
Cause I see sunset in your eyes

I can't take it any longer  
Thought that we were stronger  
All we do is linger  
Slipping through our fingers

I don't want to try now  
All that's lefts goodbye to  
Find a way that I can tell you

But I gotta do it  
I gotta do it  
I gotta do it  
I hate this part

I gotta do it  
I gotta do it  
I gotta do it

Oh  
I hate this part right here  
I hate this part right here  
I just can't take these tears  
I hate this part right here
