[Bonus Track]

(Feat. New Kids On The Block)

Hey girl, do you love me?

Yes.

I wanna try something with you. So, don't be shy. Are you ready?

Of course, baby.

Let's go.

You go hit the lights, I'll set up the camera

Now let's get to the action

You go hit the lights, I'll set up the camera

Now let's get to the action

I've been thinking about this for some time

I got a freaky temptation burning deep inside

You say the strip's already rolling

And the bedroom is the set

I hope you know your lines

Cause one take is all we get

Now go hit the lights, I'll set up the camera

Now let's get to the action

You go hit the lights, I'll set up the camera

Now let's get to the action

By the time this over girl

I'ma make you a star

You ready?

1, 2, 3, 4

I'm the directing and producing

And you're the leading lady of my show

You're the leading lady, baby

No body double needed

Cause I do all the stunts on my own

Believe that you can turn your phone off

But be quiet on the set

You better know your lines
Cause one take is all we get

You go hit the lights, I'll set up the camera
Now let's get to the action
You go hit the lights, I'll set up the camera
Now let's get to the action
You go hit the lights, I'll set up the camera
Now let's get to the action
You go hit the lights, I'll set up the camera
Now let's get to the action

Click on rewind, go one more time
Playback our love over the wide screen
Baby don't stop until I say cut
Keep it rolling, let me roll it..
Yeah, we rolling.
Yeah, we rolling.
Yeah, we rolling
