(Feat. Avant)

Mmm...

C'mon

[Verse 1 - PCD]

I don't wanna go another day,  
So I'm telling you exactly what is on my mind.  
Seems like everybody's breakin' up,  
They're throwin' their love away.  
But I know I got a good thing right here,  
That's why I say... hey

[Chorus - PCD w/Avant]

Nobodys gonna love me better  
I must stick wit u forever  
Nobodys gonna take me higher  
I must stick wit u  
You know how to appreciate me  
I must stick wit u, my baby  
Nobody ever made me feel this way,  
I must stick wit u

[Verse 2 - Avant]

Through everything goin on  
We're right here holdin on  
To one another.  
The reason why I love you,  
Ya charm and personality  
I love your sensitivity.  
Wait let me take a second,  
'Cause I want to be your love & essence.  
Only,  
Wanna hear your voice speak,  
When I feel your body heat,  
Love every minute of it.  
You're like the fresh air,  
When it feels like no one cares  
That's why I say...

[Chorus - PCD (w/Avant)]

Nobodys gonna love me better (Nobody's gonna love me better)  
I must stick wit u forever (Ohh No)  
Nobodys gonna take me higher (Nobody)  
I must stick wit u (No)  
You know how to appreciate me (I know you love me)  
I must stick wit u, my baby  
Nobody ever made me feel this way, (Ohh)  
I must stick wit u (Nobody)

[Bridge - PCD (w/Avant)]

And now,  
Ain't nothin else I could need (nothin' else I could need)  
And I'm,  
Singin 'cause you're still so into me  
I got you,  
We'll be making love endlessly  
I'm with you (Baby I'm wit u),  
Baby you're with me (Baby you're with me)

So don't you worry about  
People hanging around,  
They ain't bringing us down

[Avant]

Baby talk to me  
'Cause all I'm here to say is  
I'll be right here for forever and a day, hey

[Chorus - PCD (w/Avant)]

Nobodys gonna love me better  
I must stick wit u forever  
Nobodys gonna take me higher  
I must stick wit u (C'mon)  
You know how to appreciate me (Nobody, Nobody)  
I must stick wit u, my baby  
Nobody ever made me feel this way,  
I must stick wit u

[Avant] You're my shelter in the storm

[PCD] I'm right here

[Avant] Keepin' me away from harm

[PCD] I'm never gonna leave you

[Avant] You're a song with beautiful words

[PCD] I'm your song

[Avant] Something that I never heard

[PCD] Yeahh

[Chorus - PCD (w/Avant)]

You know how to appreciate me (You know how to appreciate me)

I must stick wit u, my baby (I love you, you're my baby)  
Nobody ever made me feel this way (Ohh),  
I must stick wit u
