I don't wanna go another day
So I'm telling you exactly what is on my mind
Seems like everybody's breaking up
And Throwing their love away
But i know i got a good thing right here
That's why I say (Hey)

Nobody gonna love me better
I must stickwitu
Forever
Nobody gonna take me higher
I must stickwitu
You know how to appreciate me
I must stickwitu
My baby
Nobody ever made me feel this way
I must stickwitu

(Avant)
Through everything goin' on
We're right here holdin' on to one another
The reason why I love you
Your charmin personality I love your sensitivity
(Wait, let me take a second cause
I feel your love and essence)On me...
Wanna hear your voice speak
Gotta feel your body heat
Love every minute of it...
You're a breath of fresh air
When it feels like no one cares...
That's why I say it baby

(Avante and Pussycat Dolls)
Nobody gonna love me better
Imma stickwitu
Forever
Nobody gonna take me higher
I must stickwitu
You know how to appreciate me
I must stickwitu
My baby
Nobody ever made me feel this way

I must stickwitu

And now
Ain't nothing else I can need
And now
I'm singing 'cause you're so, so into me
I got you
We'll be making love endlessly
I'm with you
Baby you're with me

So don't you worry about
People hanging around
They ain't bringing us down
(Avant)
Baby talk to me...
Cause all I'm here to say is that
I'll be right here for forever and a day HEY

Nobody gonna love me better
I must stickwitu
Forever
Nobody's gonna take me higher
I must stickwitu (c'mon)
(Nobody) You know how to appreciate me (Nobody)
I must stickwitu my baby (Nobody)
Nobody ever made me feel this way (Nobody)
I must stickwitu (Nobodyyyy)

(Avant)
You're a shelter in the storm
(Pussycat) I'm right here
(Avant) Keepin me away from harm
(Pussycat) I'm neva gonna leave you
(Avant) You're a song with beautiful words
(Pussycat) A love song
(Avant) Somethin that I never heard (ya aha yeahhh)
