I don't want to go another day
So I'm telling you exactly what is on my mind
Seems like everybody is breaking up
Throwing their love away
I know I got a good thing right here
That's why I say (Hey)

Nobody's going to love me better
I'ma stickwitu forever
Nobody's going to take me higher
I'ma stickwitu
You know how to appreciate me
I'ma stickwitu, my baby

Nobody ever made me feel this way
I'ma stickwitu

I don't want to go another day
So I'm telling you exactly what is on my mind
See the way we ride
In our privated lives
Ain't nobody getting in between
I want you to know that you're the only one for me
And I say

Nobody's going to love me better
I'ma stickwitu forever
Nobody's going to take me higher
I'ma stickwitu
You know how to appreciate me
I'ma stickwitu, my baby

And now
Ain't nothing else I can need
And now
I'm singing 'cause you're so, so into me

I got you
We'll be making love endlessly
I'm with you
Baby, you're with me

So don't you worry about
People hanging around
They ain't bringing us down
I know you and you know me
And that's all that counts
So don't you worry about
People hanging around
They ain't bringing us down
I know you and you know me
And that's why I say

Nobody's going to love me better
I'ma stickwitu forever
Nobody's going to take me higher
I'ma stickwitu
You know how to appreciate me
I'ma stickwitu, my baby

Nobody's going to love me better
I'ma stickwitu forever
Nobody's going to take me higher
I'ma stickwitu
You know how to appreciate me
I'ma stickwitu, my baby
(estoy aferrado@ a ti, mi bebe)
