My life was hard
And going to school
And now I'm gonna start
From where iv started
I know I'm not gonna be a fool

I'm gonna start my streetlife
Not gonna start
I promise it wont be hard

Haven't done this
Since last year
Now the minutes of my life
Are gonna appear
Don't worry my heart is like
Steal

I'm gonna start my streetlife
Right now
I'm gonna show you how

The kids that iv had trouble with
When I was in school
Are jelouse of me
So now they finally see
That I'm famous and now I don't even
Mention there name

I'm gonna start my streetlife
Not gonna start
I promise it wont be hard

My life was hard
But now I'm gonna make up
For it now
I remmber papa smokin
On the pipe now I'm gonna start
My Streetlife!

I'm gonna start my streetlife
Right now
I'm gonna show you how

I'm gonna start my streetlife
Not gonna start
I promise it wont be hard

I'm ready for my streetlife
It's gonna start now
I'm gonna show you how
Oh no no no
Oh no no no
Ooh no
(My streetlife)
