Sometimes I feel I've got to  
Run away  
I've got to  
Get away  
From the pain  
You drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn  
I can't sleep at night

Once I ran to you (I ran)  
Now I run from you  
This tainted love you've given  
Give you all a girl could give you  
Take my tears  
And that's not nearly all

Tainted love  
Tainted love

Now I know I've got to  
Run away  
I've got to  
Get away  
You don't really want anymore from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry I don't pray that way

Once I ran to you (I ran)  
Now I run from you  
This tainted love you've given  
Give you all a girl could give you  
Take my tears  
And that's not nearly all

Tainted love  
Tainted love

Don't touch me please  
I cannot stand the way you tease  
I love you though you hurt me so  
But I'm going to pack my things and go

Tainted love  
Tainted love  
Tainted love  
Tainted love

Baby, baby (baby baby)  
Baby, don't leave me  
Ooh, please don't leave me (baby baby)  
All by myself (baby baby ooh baby )  
I've got this burning (baby baby)  
Yearning, yearning  
Feeling inside me  
Ooh, deep inside me (baby baby)  
And it hurts so bad (baby baby ohh baby baby)  
You came into my heart (baby baby)  
So tenderly  
With a burning love (baby baby)  
That stings like a bee (baby baby ooh baby baby)  
And now that I surrender (baby)  
So helplessly  
You will not want to leave (baby baby)  
Ooh, you want to leave me (baby baby ooh baby baby)

Baby, baby  
Where did our love go?  
Ooh don't you want me?  
Don't you want me no more?...
