Gimme them bright lights, long nights (Come on yeah)
High rise, overtime (Pussycat Dolls)

Chorus

Gimme them bright lights, long nights
Party till the sun is rising
High rise, overtime
Working 'till the moon is shining
Hot guys, fly girls
Never gonna say it
I feel on top of the world,
I feel on top of the world
Hey

I'm ready for the pressure
The drama and the pleasure
Got my whole life here in front of me
I'm taking over when I hit the streets

Glamour, glitter and gold
Nothing is stopping you, nothing is stopping me
In this frenzy out of control
I must stay in pursue, do what I got to do

Chorus

Gimme them bright lights, long nights
Party till the sun is rising
High rise, overtime
Working 'till the moon is shining
Hot guys, fly girls
Never gonna say it
I feel on top of the world,
I feel on top of the world
Hey

It's like a roller coaster
One step away I'm closer
I can see it there within my reach
Won't let the city get on top of me
Hey you

Glamour, glitter and gold

Nothing is stopping you, nothing is stopping me
In this frenzy out of control
I must stay in pursue, do what I got to do

Chorus

Gimme them bright lights, long nights
Party till the sun is rising
High rise, overtime
Working 'till the moon is shining
Hot guys, fly girls
Never gonna say it
I feel on top of the world,
I feel on top of the world
Hey

I can do it all night long (Nothing can stop me)
They can? place my home (Can't slow me down)
The only thing I know (Is that I won't fall)
And I have it all

Chorus

Gimme them bright lights, long nights
Oh yeah
High rise, overtime
Working 'till the moon is shining
Hot guys, fly girls
Never gonna say it
I feel on top of the world
I feel on top of the world

Gimme them bright lights, long nights
Party till the sun is rising
High rise, overtime
Working 'till the moon is shining
Hot guys, fly girls
Never gonna say it
I feel on top of the world
I feel on top of the world
Hey

Bright lights, long nights (Come on Pussycat Dolls)
High rise, overtime
Hot guys, fly girls
Never gonna say it
I feel on top of the world
I feel on top of the world
Hey
