I know sometimes when you see yourself  
What you see yourself, is someone not good enough  
I know there's times when you feel like, you can do  
nothing right  
And insecurity takes a hold, obscures your vision of  
your soul  
You can't see what's inside, open up your eyes

Take a look in the mirror, you're beautiful  
Take a moment to love the one you are  
Learn to accept yourself, coz it's the truth  
Can't love nobody else, until you love you

I know sometimes it's so hard to keep up your self  
esteem  
Sometimes you can feel so small  
And it's so easy to tell yourself, you're not worth much  
at all  
When you're unsure of who you are, and now it's tearin'  
you apart  
You can't see what is true, change your point of view

Take a look in the mirror, you're beautiful  
Take a moment to love the one you are  
Learn to accept yourself, coz it's the truth  
Can't love nobody else, until you love you

Find, what is real is what's inside you  
Know, there's no else in this world like you  
Take, maybe just a little time to stop and see just who  
you really are

Take a look in the mirror, you're beautiful  
Take a moment to love the one you are  
Learn to accept yourself, coz it's the truth  
Can't love nobody else, until you love you

Take a look in the mirror, you're beautiful  
Take a moment to love the one you are  
Learn to accept yourself, coz it's the truth  
Can't love nobody else, until you love

Take a look in the mirror

Take a look in the mirror (ooh ah ooh ooh ah ooh  
ooh)

Take a look in the mirror (I'll take a look in the mirror)

Take a look in the mirror (you're beautiful)
