Let's go!

There are lots of pretty girls.

?

It's such a different world.

I want to live at the mall.

At the mall.

At the mall.

At the mall.

?

?

?

Yes, I want to live at the mall.

At the mall.

At the mall.

At the mall.

This place sucks!

At the mall.

At the mall.

At the mall.

At the mall.

Yes, I want to live at the mall.

Yes, I want to live at the mall.

Yes, I want to live at the mall.

Yes, I want to live at the mall.
