

## The Queers "Granola-Head"

Eating magic mushrooms ain't for me  
Or getting all screwed up on LSD  
Or eating bean sprouts all day long  
And smoking pot out of a bong  
Wearing flowers in my hair  
And having dirty underwear  
I don't wanna be a granola-head [x2]  
Whacked-out hippies' brains are scrambled eggs  
Ugly chicks with hairy legs  
I think I'd rather be at home  
Listening to the Ramones  
Or hanging out and getting drunk  
With a bunch of useless punks  
[Chorus]  
Oh can't you see  
It's not for me  
Eating bean sprouts all day long  
And smoking pot out of a bong  
Wearing flowers in my hair  
And having dirty underwear  
[Chorus x2]
