Last night I had burritos and drank a lot of beer  
And now a funny smell is emanating from my rear  
My girlfriend tries to hold her nose and falls into a  
swoon  
I got a problem and I don't know what to do...  
HELP!  
I can't stop farting [x4]  
My flatulent ass sounds like 27 ducks  
I sit and try to take a shit but I'm shit outta luck  
Mt sphincter rears it's ugly head as I clear out the room  
I gotta problem and I don't know what to do...  
HELP!  
I can't stop farting...
