I don't wanna be around you anymore
I don't wanna hear another word you say
You make Bulltit look like he's a real a smart fucker
And I'm kinda hopin that you'll go away

I hate your fucking guts
I hate your fucking guts
I hate your fucking guts
I hate your fucking guts
I hate your fucking guts
I hate your fucking guts

You think you're a punk
But you're just a jock
And up your ass you'd love to feel a cock
You're so pathetic with your punk rock band
You're a stupid fuck, a human cuckoo clock

[Chorus]
[Lead guitar (dedicated to Gino!!)]
[Chorus]
