How come skinhead oi boys have no work  
I bet if they did they'd go berserk  
Shut up about the working class  
A job is no big deal  
You all look like Hitler youth - good job  
That's some appeal

You oi-boys and oi-girls have quite the scene  
At shows you love to gang up and get mean  
The ones I know were racist then  
But that's all in the past  
Excuse my not believing you  
It's happened much too fast

Little rich working class oi boy  
Little rich working class oi boy  
Little rich working class oi boy

You look and act and talk like Nazi goons  
If you truly cared you'd change your tune  
The auro you exude tells everyone just how you feel  
I don't buy your bullshit boys  
Sorry, there's no deal

[Chorus]
