My folks had me committed just two weeks ago  
My best friend ran off with my girl - those two damn  
bozos  
Oh and don't you know it hurts  
But hey she ain't the first  
She ain't the first  
I was a teenage bonehead - Yes it's true  
I was a teenage bonehead - A-wah-oo-hoo-hoo  
I was a teenage bonehead just because of you  
My parents kicked me out, I'm sick of them so I don't  
care  
My girl sent me a post card saying "Glad that you're  
not here"  
Oh and don't you know it hurts  
But hey she ain't the first  
She ain't the first  
[Chorus]  
She never said goodbye to me, now I sit here  
wondering  
Where she is and what she's eating...  
Oh and don't you know it hurts  
But hey she ain't the first  
She ain't the first  
[Chorus]
