John Rioux was his hane  
Screwing up was his game  
Oh gosh he hates his folks  
In fact, his whole life is a joke

Well he's only seventeen  
He knows everything  
His brain's malfunctioning

He's a teenage gluesniffer  
Well he's a teenage gluesniffer  
Well he's a teenage gluesniffer  
Oh oh oh yeah  
Oh oh oh yeah

Shane Problem is his name  
Whacking off is his game  
Girls all think he's a joke  
His fanzine is a hoax

Well he's only twenty two  
His diet is quite rude  
Eat's Denny's and pukes

He's a teenage gluesniffer  
Well he's a teenage gluesniffer  
Well he's a teenage gluesniffer  
Oh oh oh yeah  
Oh oh oh yeah

He's an asshole  
He's a bonehead  
He's a jerkoff  
He's a real waste case  
He's a real waste case  
He's a teenage gluesniffer  
Well he's a teenage gluesniffer...
