Go ahead, go ahead, go ahead  
And smash it on the floor  
Take whatever's left  
And take it with you out the door...

See if I cry,  
See if I she'd a single sorry tear  
I can't say that it's been that great  
No, in fact it's been a wasted-free year

Everybody sees  
And everyone agrees  
That you and I are wrong  
And it's been that way too long

Take it as it comes  
And be thankful when it's done  
There's so many ways to act  
And there's many shades of black  
There's so many shades of black  
There's so many shades of black

Let it out (let it all out) let it all out  
Say what's on your mind  
You can kick and scream  
And shout and say things  
That are so unkind.

Yeah,  
See if I care  
And see if I stand firm or if I fall  
Cause in the back of my mind,  
And on the tip of my tongue  
Is the answer to it all...

And everybody sees  
And everyone agrees  
That you and I are wrong  
And it's been that way too long

Take it as it comes  
And be thankful when it's done

There's so many ways to act  
And there's many shades of black,  
There's so many shades of black,  
Yeah, there's many shades of black

Yeah...  
Everybody sees  
And everyone agrees  
That you and I are wrong  
And it's been that way too long

So take it as it comes  
And be thankful when it's done  
There's so many ways to act  
And you cannot take it back  
No you cannot take it back  
There's so many shades of black,  
There's so many shades of black,  
Yeah, there's many shades of black  
There's so many shades of black  
There's so many shades of black  
Yeah, there's many shades of black  
There's so many shades of black  
Yeah, there's many shades of black  
There's so many shades of black

Oh yeah
