Voice your choice  
Voice your choice

Voice your choice  
Tell me who do you love  
Am I the one, oh... oh...  
That you're thinkin' of

You know you look so good  
Oh, oh, it's really a crime  
For just one girl  
Yeah, to be so fine

You've got all the boys  
Standing in line  
Tell me who do you love  
Girl, make up your mind  
Make up your mind

Voice your choice  
Tell me who do you love  
Am I the one, oh... oh...  
That you're thinkin' of

You know Jim, he's sincere  
Oh, oh, and Joe, he's fine  
Johnny's nice  
Yeah, but is he the one

Then there's me  
Who's the last but not the least  
So come on now  
Girl, speak your peace  
Speak your peace

Voice your choice (Ooh, tell me who do you love)  
Voice your choice (Oh, girl, yeah)  
Voice your choice (Ooh, girl, yeah)

Tell me, girl, what you're gonna do  
And tell me what you are trying to prove  
Girl, you don't need two

No, when one will do  
So come on now, say it's me and you  
Me and you

Voice your choice (Ooh, tell me who do you love)  
Voice your choice (Oh, girl, yeah)  
Voice your choice (Ooh, girl, yeah)  
Tell me who do you love (Ooh, tell me who do you love)
