I got a lonely room, some old photographs  
I got my bourbon, blues on the phonograph  
I got stars in my eyes, and it comes as no surprise  
I got a pain in my heart

I said good things, good things, good things, real  
good things  
Good things come to those who wait, don't, don't be  
late  
Oh no, don't be late

I got a woman on my mind  
That's a memory so sweet and kind  
I just couldn't stay, and that gal she couldn't wait  
I got tears in my eyes

I said good things, good things, good things, real  
good things  
Good things come to those who wait, don't, don't be  
late  
Oh no, don't be late.

I want you to understand  
Come and take me as I am  
Take a sad old song  
And make it feel like it belongs, it belongs

I got a lonely room, some old photographs  
I got my bourbon, blues on the phonograph  
I got stars in my eyes, and it comes as no surprise  
I got a pain in my heart

I said good things, good things, good things, real  
good things  
Good things come to those who wait, don't, don't be  
late  
Oh no, don't be late

I got a telephone in my heart  
When times get rough, I call her up  
I got a bluebird in a tree  
Singin' me a sweet melody

And I got sunshine, but I don't care  
'Cause there's a spirit liftin' me there  
Right on time, right on time  
Right on time, right on time
