You say jump and baby I will  
You say spill the beans them beans are spilled  
You say love and baby I live  
I say please please but you don't give

It's so hard so hard to score  
With a chick who's got a hard hard core  
Hard Core

You say dance and baby I move  
You say sing the blues that's all I do  
You say love and baby I shout  
I say let me in or don't kick me out

Well it's so hard, so hard to score  
With a chick who's got a hard hard core  
Hard Core

I got determination I got my pride  
But so easily I let it slide  
I'm overtaken with you in sight  
And I'm under the heat of the night

Let me in, let me in, let me in  
Oh baby, let me in

You say lights and baby they off  
You say tender tender and baby I'm soft  
You say move me and baby I rock  
I say open up your box is locked

It's so hard so hard to score  
With a chick who's got a hard hard core  
Hard Core
