Lord I don't ask for much  
No I just try to stay in touch  
I come when you call  
So until that curtain fall

Lord you light up my pipe  
You make me feel like it's alright  
You lighten my load on this old cold island road  
Lord you light up my pipe say it's alright  
It's alright, you light up my pipe

There's no water on my floor  
Landlord keep a knockin' down my door  
I wear my daddy's rags I'm at the bottom of my bag

Lord you light up my pipe  
You make me feel like it's alright  
You lighten my load on this old cold island road  
Lord you light up my pipe say it's alright  
It's alright, you light up my pipe  
Light me up, light me up

Lord the rats eat your food  
Here come the union man to get some dues  
My dealer's on the phone  
Like a dog lookin' for a bone

Lord you light up my pipe  
You make me feel like it's alright  
You lighten our load on this old cold island road  
Lord you light up my pipe say it's alright  
It's alright, you light up my pipe  
Light me up, light me up
