I've Been Waiting for You
'fore I Call Your Name
I've Been Longing for You
In Sunshine and Rain

Oh Oh Black Diamond,
Oh How She Shine
Oh Black Diamond,
Let's Close Our Eyes

I've Been Pulling for Ya
In Everything You Try
I've Been Weeping with Ya
Everytime You Cry

Now the Sun Is Sinking,
Can't Wait To Get To Sleep
See the Black Diamond
Shining In the Deep

I'll Meet You on the Vast Plains
Behind The Gates of Dream
Laughing Dancing In the Sand
Like Dreamers Do, Uh Huh Uh Huh
Like Dreamers Do, Uh Huh Uh Huh
Like Dreamers Do

Won't You Look At You Now
Oh You Crazy Fool
Won't You Look At You Now
You Mad Molecule

I'll Meet You on the Vast Plains
Behind The Gates of Dream
Laughing Dancing In the Sand
Like Dreamers Do, Uh Huh Uh Huh
Like Dreamers Do, Uh Huh Uh Huh
Like Dreamers Do
