Don't want to love you
But it's a losing battle for me
Don't want to want you
But it's a losing battle you see
With my heart in my hand
Eyes on the ground
Don't wanna watch this, just let it go down
And we're

Stealin' a feelin'
With our good eye closed
Stealin' a feelin'
Don't wanna know, wanna feel

I got a problem
There ain't nothing you can do
I got a problem
You see my problem is you

How can I reach you
It don't make no sense
Using words like a barb wire fence all around
And we're

Stealin' a feelin'
With our good eye closed
Stealin' a feelin'
Don't wanna know, wanna feel
