This wagon's gonna roll  
This wagon's gonna reel  
This wagon's gonna roll all over you  
This wagon's gonna roll  
This wagon's gonna reel  
This wagon's gonna roll all over you

Eighteen wheels, eighteen mean old crazy wheels  
Ready to chew up the road and spit it back out  
Just on thing, just one thing you better get understood  
If you ain't ready to roll, you better get ready to die

This wagon's gonna roll  
This wagon's gonna reel  
This wagon's gonna roll all over you  
This wagon's gonna roll  
This wagon's gonna reel  
This wagon's gonna roll all over you

Watch my smoke, watch my smoke eat my fire  
This old cold island road's up in flames  
Old Mr. Razor, old Mr. Razor's at the wheel  
So you better act nice, the dagger's easy to slice

Pass that bottle, pass that bottle and the spoon  
I'm ready to take my medicine just like a man  
This old world, this old world is falling down  
And after it's all over, it ain't gonna rise again

This wagon's gonna roll  
This wagon's gonna reel  
This wagon's gonna roll all over you  
This wagon's gonna roll  
This wagon's gonna reel  
This wagon's gonna roll all over you
