Already dead
So kill my head
There's a sun in his eyes
It won't go away
I'm already dead
Why is it I can't kill myÂ...

He would never sleep
Said I didn't mind it at all
Made me feel quite cheap
Looking back on it all
Then there was this kiss
He said that he couldn't resist
And was I aware of what I missed?

That night I slept on his couch
With my back turned to the wall
Nothing assumed but you know?
You knowÂ...
In the morning we said nothing at all
All I could think of was this
He said that he couldn't resist
And was I aware of what I missed?
