Playing guitar
Friday night in Sally's club bar
Big money man says 'Won't you join
My rock 'n' roll band?'

But if I'm gonna make you a star, boy
Get yourself a chauffer-driven car, yeah
Sign on the dotted line
It's gonna work out,
Sign on the dotted line
It's gonna work out fine

I played in Hamburg just to make me some money
Made me sad but never down, Honey
If I'd known that you wrote me a letter
Don't you worry boy, It's gotta get better

But if I'm gonna make you a star, boy
Get yourself a chauffer-driven car, yeah
Sign on the dotted line
It's gonna work out,
Sign on the dotted line
It's gonna work out,
Sign on the dotted line
It's gonna work out fine

I could have stayed at home forever
But big money man was much too clever
He said sign on the dotted line
It's gonna work out,
Sign on the dotted line
It's gonna work out,
Sign on the dotted line
It's gonna work out fine

Back playing guitar
Friday night in Sally's club bar
Big money man says 'Won't you join
My rock 'n' roll band?'

But if I'm gonna make you a star, boy

Get yourself a chauffer-driven car, yeah
Sign on the dotted line
It's gonna work out fine

Ah, ah, ah, ah
