Her lips were red the grass was green  
But she wanted to keep her blue dress clean  
She said she wouldn't take it off  
I guess it wasn't hot enough

If you close your eyes I'll count to 7  
And I'll only watch the moon above  
Flying your blue dress at the stars of heaven  
Hate to lose the one I love

Her lips were red her eyes were brown  
But she wanted to keep her blue dress down  
The grass all green, her dress all blue  
It seemed her soul was shining through

If you close your eyes I'll count to 7  
And I'll only watch the moon above  
Flying your blue dress at the stars of heaven  
Hate to lose the one I love
